UNIFORM ONE YEAR WARRANTY!

ALL OPERATE ON REGULAR GASOLINE!

Now you have a choice of five Berkeley Packajets—302 to 460 cubic inch, 180 to 320 horsepower—to give you the economy, responsiveness, safety, and reliable performance you want in your new boat.

You'll find the right combination for you among dozens of leading boat brands. The entire Packajet, engine and Jet-Drive, carries a one year limited warranty backed by Berkeley in writing. All 1976 models operate on regular or lead-free gasoline.

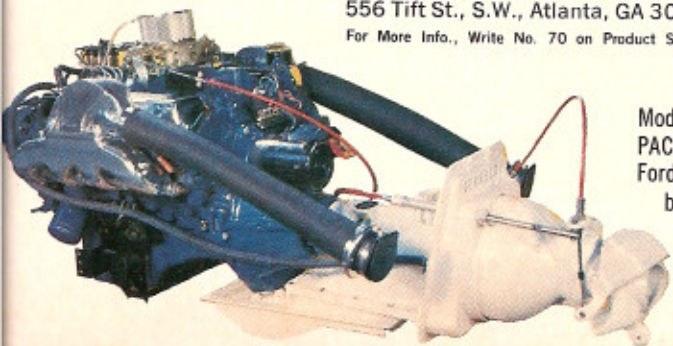

For a "Fact Kit" that includes current information on Jet-Drives, Packajets, and the boat builders/designers who supply this power drive as standard or optional please write or call:

BERKELEY PUMP COMPANY
